ORDER DENYING REQUEST FOR REHEARING

A review of the file reveals that a Request for Reversal of Rehearing Decision was filed by Appellant on April 2, 2007. On August 2, 2006, Appellants filed a Request for Rehearing and Reconsideration. On January 30, 2007, the Board rendered a decision on the Request for Rehearing. According to 37 C.F.R. §41.52(a) :

Appellant may file a single request for rehearing within two months of the date of the original decision of the Board. No request for rehearing from a decision on rehearing will be permitted, unless the rehearing decision so modified the original decision the original decision as to become, in effect, a new decision, and the Board states that a second request for rehearing would be permitted.

Appeal No. 2006-1061
Application 09/505,713

The Request for Reversal of Rehearing Decision will be considered a second Request for Rehearing. Since the first Request for Rehearing has been considered by the Board, the second Request for Rehearing is denied.
